- Libretto** Lyrics and concept by H.W. Gade © 1998-99
Partly based on an idea from Selma Lagerlöf's short story "The Alter of the Emperor" from "Legends of Christ". Besides the original texts by H.W. Gade, there are extracts from Virgilius, Edith Södergran, Gustav Ekelöf, Francis of Assisi (the real one) and various religious texts, including Bud-dha and the Koran.
- Music** H.W. Gade © 1998-99. Score by the composer.
- Layout** Layout, MIDI score and all original drawings by the composer. © 1998-99.
- Disclaimer**
1. The text, music and plot of "Stella" may not be changed without the written consent of the composer or his heirs.
 2. The religious themes and concepts, however, may never be changed, especially Jesus being born also on Isis and the two versions of the Holy Francis of Assisi.
 3. No adaptations or additional music will be allowed.
